About Us

We provide Good Hot Lunches to many schools in your area. All our lunches are prepared fresh daily with brand name, high quality ingredients, in a nut-free, inspected commercial kitchen.

Our Menu

Our menu is easy to use. It offers lots of choice, and menu items change regularly. Our restaurant style menu means you can pick any combination of entrees and snacks you'd like. Pick the days you want to have lunch and remit the correct amount by cheque, payable to "The Lunch Lady", by the due date. You can also use our Online ordering system. It's safe, secure and easy to use. Please note that orders placed online must be paid for online or they won't be completed.

How it Works

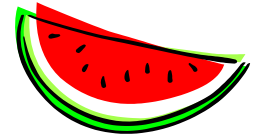

Lunches are prepared freshly each day, then delivered hot to your school just before lunch time and distributed to your child's classroom. Each lunch is placed in a lunch bag that is individually labeled with the child's name, showing what they ordered. Our "easy as A B C" system means that even the youngest child can find their lunch bag and hot entrée item.

"Serving good hot lunches to children at school"

Making it right

We bring the original orders with us on our deliveries, so we can verify that "yes, your mom really did want you to have a salad today!"

We do a quality check in every classroom to ensure no child is missing anything and everyone's happy with their lunch.

We also bring spare lunches to every delivery so if there is ever a mix-up, we can make it right. Please let your child know to find the Lunch Lady in the red apron if they have any questions or concerns.

The Environment

Our leak-proof lunch bags are extra long so your child can tie a knot in the top and bring home uneaten food, or their containers for recycling. Our containers are recyclable or biodegradable. This helps to minimize waste and benefits the environment.

How you can help

- Please turn your menus in by the due date
- If your child is sick or on a field trip, phone the kitchen at before **8:00 a.m.** to receive a credit to be used within 2 serving months. Sorry, no cash refunds.
- If your child wishes to change menu items mid-month, 3 days notice is required
- If you're interested in ordering online, just provide us with your e-mail address, clearly written on your order form. We will send you a confirmation e-mail and you can begin ordering online.

Thank you from The Lunch Lady!

We really appreciate your support of our program. Please e-mail or call us if you have any questions or suggestions. Thank you!
