Message from the Superintendent
Re: Continuation of BCTF Rotating Strikes

Dear Parents and Community of Delta,

The BC Teachers' Federation (BCTF) is extending its rotating strike action to a second week. **In the Delta School District, a one-day strike is planned for Monday, June 2, 2014. As a result, all classes will be cancelled and there will be no instruction on this day.** We are therefore encouraging parents not to send their children to school on this day.

School Operation

Picket lines will be in place throughout the day and, therefore, our support staff who are CUPE members will not be at work. This means that while school buildings will be open, only Principals and Vice-Principals will be in the buildings. Since staff will not be available to provide adequate supervision or instruction we ask that you make alternative childcare arrangements for your children on Monday, June 2nd.

Strong Start Centres will also be closed on this day and **user groups** will not be able to operate because we will not have staff in place to facilitate building use. We understand that pickets are not intended to impact **daycares**, so daycares located within Delta School District buildings should remain open; however, please directly contact your daycare operator to confirm whether or not they are open.

Transportation

School buses for students with special needs will not be running on June 2nd.

Further Information

The Delta School District will continue to inform parents of any changes or developments in the job action status through school websites and via letters to parents, as well as on the district website at web.deltasd.bc.ca. At this point, no further strike dates are set; however, the BCTF has said further dates are dependent on progress at the bargaining table.

The Delta School District acknowledges that our teachers are participating in a legal strike. We appreciate these situations can be difficult; however, we remain committed to providing the best learning environments for our students.

If you have any questions or concerns, please contact your Principal.

Yours truly,

Dianne Turner, Superintendent, Delta School District
