

IMPORTANT NOTICE
Please Read Carefully

Dear Parents and Guardians:

Year End Assembly

We realize that this is extremely short notice, but given the current situation in regards to job action, the teachers and staff at Port Guichon feel strongly that it is important to recognize our grade 7 students in some way.

As such, there will be an assembly tomorrow (June 13th) after recess at 10:40. At the assembly we will announce the year end awards and grade 7s will receive their leaving certificates. We will also have an opportunity to view the year-end slide show that was put together by Fleur Smith and Katie Norcross.

If possible, we hope to include our kindergarten students as we have done in past years. However, please keep in mind that we typically put in a fair amount of rehearsal time with our kindergarteners for this assembly. Unfortunately since we are unable to have that rehearsal time there is a possibility that we may have to adjust accordingly.

After the assembly, the grade 7 students will proceed to enjoy their luncheon that was organized by our amazing PAC.

Some Other Important Things to Note:

We are hopeful that the labour dispute will end soon. However, as a precaution students should be taking home all of their supplies tomorrow. If a settlement is reached and classes resume, please remember to have your child bring back some basic supplies such as their pencil boxes, a notepad, etc.

Students who have rented band instruments from Tapestry should return the instrument to the school tomorrow. The school will arrange to have the instruments sent to Tapestry Music. Please make sure that your child's name is clearly marked and labeled on the instrument. You may of course, return the instrument to Tapestry yourself.

Please also note that report cards will be not be sent home tomorrow. More information will be forthcoming as things become clearer around them.

Thank you again for your ongoing support and understanding during these difficult times.
