Important reminder:

Dear Families,

Please continue to partner with us in teaching and reminding your children that making threats, inappropriate comments and racial slurs toward or about others undermines a sense of safety, comfort, and belonging at school and in the community and is **unacceptable**. Although we realize that it may be a small minority of students who engage in this behaviour, it causes fear, anger, and anxiety among students, families and staff, and wastes valuable time and

resources that may otherwise be focused on demonstrating kindness and building a sense of belonging.

Students who make threats or use other violent words can face significant disciplinary consequences and possibly, criminal charges (12+yrs. of age).

Please take time to talk with your child(ren) and encourage responsible, kind choices regarding safe and appropriate language and actions, especially while at school or school-related events and/or while engaging with other students during online activities. We really appreciate your ongoing support.

Ladner Minor Baseball in Conjunction with Baseball BC offering: “Challenger Baseball”

Ladner Minor Baseball is pleased to announce it will be working with Baseball BC this year to run the Challenger Baseball Program. Challenger Baseball is a division of Baseball BC that provides an opportunity for children with cognitive and/or physical disabilities to enjoy the full benefits of participation in baseball at a level structured to their abilities.

Baseball games are played in a fun, safe environment where no score is kept. Able-bodied “Buddies” are assigned (one-to-one, when possible) to each participant. These Buddies assist the Challenger Baseball players with their involvement in the game. Pushing wheelchairs around the base path, assisting players in how to hold the bat and swing, or providing protection for the Challenger Baseball player from a batted ball, are just a few of the ways the Buddies offer a better experience for the participants in Challenger Baseball.

Each participant is treated like every other player in the conventional baseball program. All players are outfitted in uniforms, use the same equipment, and play their games at the local baseball parks. A team picture is a must for Challenger Baseball, as it is in the other divisions.

The smiles are plentiful and free! The joy on the face of each participant in Challenger Baseball makes it very clear how much fun they are having. No pressures, no playing time issues, everyone just has fun!

Held on Saturdays at Dugald Turf in Ladner. Please register at:
<https://go.teamsnap.com/forms/466812> Any questions, please contact registrar@ladnerminorbaseball.com
