Ladner Minor Baseball in Conjunction with Baseball BC offering: “Challenger Baseball”

Ladner Minor Baseball is pleased to announce it will be working with Baseball BC this year to run the Challenger Baseball Program. Challenger Baseball is a division of Baseball BC that provides an opportunity for children with cognitive and/or physical disabilities to enjoy the full benefits of participation in baseball at a level structured to their abilities.

Baseball games are played in a fun, safe environment where no score is kept. Able-bodied “Buddies” are assigned (one-to-one, when possible) to each participant. These Buddies assist the Challenger Baseball players with their involvement in the game. Pushing wheelchairs around the base path, assisting players in how to hold

the bat and swing, or providing protection for the Challenger Baseball player from a batted ball, are just a few of the ways the Buddies offer a better experience for the participants in Challenger Baseball.

Each participant is treated like every other player in the conventional baseball program. All players are outfitted in uniforms, use the same equipment, and play their games at the local baseball parks. A team picture is a must for Challenger Baseball, as it is in the other divisions.

The smiles are plentiful and free! The joy on the face of each participant in Challenger Baseball makes it very clear how much fun they are having. No pressures, no playing time issues, everyone just has fun!

Held on Saturdays at Dugald Turf in Ladner. Please register at:

FamilySmart Events:

Please click the link for upcoming events: <https://familysmart.ca/monthly-events/>
Every month, FamilySmart hosts in-person or online events for parents & caregivers who are parenting a child or youth with a mental health and/or substance use challenge called “In the know.” We watch a video and share experiences and strategies that help in the hard moments and focus on strengthening our understanding and connection with our kids. Online events are facilitated by FamilySmart Parent Peer Support Workers. <https://familysmart.ca/>

The Canadian Dental Care Plan (CDCP):

The Canadian Dental Care Plan (CDCP) aims at reducing the costs of dental care for Canadian residents who have a family net income of less than \$90,000 per year. Applications are currently open for Persons with disabilities and children under 18. The program will then expand to all eligible Canadian residents as of 2025.

“Wheels” on School Grounds:

Please help support safety on school grounds by partnering with us in reminding children to always dismount from “wheels” (scooters; roller blades/skates; bikes, etc.) upon arriving on school grounds.

Please also see this important information:

<https://www2.gov.bc.ca/gov/content/transportation/transportation-environment/active-transportation/scooter/safety>

Travel to-and-from School:

Please encourage students to use marked crosswalks and sidewalks whenever possible. Please encourage them to cross only after carefully checking for traffic and waiting until vehicles have fully stopped. Please drive with caution and abide by school zone speed limits. Let’s help keep everyone safe 😊 Thank-you so much!

Important to remember:

Dear Families,

Please continue to partner with us in teaching and reminding your children that making threats, inappropriate comments and racial slurs toward or about others undermines a sense of safety, comfort, and belonging at school and in the

community and is **unacceptable**. Although we realize that it may be a small minority of students who engage in this behaviour, it causes fear, anger, and anxiety among students, families and staff, and wastes valuable time and resources that may otherwise be focused on demonstrating kindness and building a sense of belonging.

Students who make threats or use other violent words can face significant disciplinary consequences and possibly, criminal charges (12+yrs. of age).

Please take time to talk with your child(ren) and encourage responsible, kind choices regarding safe and appropriate language and actions, especially while at school or school-related events and/or while engaging with other students during online activities.

We really appreciate your ongoing support!

Restricting Cellphone usage in elementary schools:

Please be reminded that students are not permitted to use cellphones or other personal digital devices at school. For more information, please visit: [Elementary school restrictions](#). If you have any questions, please contact the school.
